**On behalf of SVP NI** The Society of St Vincent de Paul wishes to clarify that it embraces the Church's teachings and upholds Gospel values. Our Rule states that Vincentians are committed to supporting life from conception to its natural earthly end. We endorse the comments made last week by the General President of SVP, Renato Lima de Oliveira, when he described the charity as "a Christian organisation that defends the right to life". Our General President also commented: "We reaffirm our position of defence of life, not only as a Christian duty but, above all, as an attitude to the sacredness of the life of the human being. We defend every stage of life and all the difficulties that it may encounter. We reject all arguments, threats and mechanisms that are contrary to life! We will not build a just society, of peace and prosperity, by admitting the right to kill human beings, especially the most vulnerable and innocent of them."

**Pentecost Sunday**

**Reflection**

On Pentecost Sunday, it's appropriate that we should congratulate the many young people who are being confirmed in their faith, in our parish this weekend. We pray that the Holy Spirit will always guide them as they journey through life and may God's Spirit help them to be true followers of Christ in all that they say and do. We compliment their parents and families and all who have assisted them on their faith journey. We think of the words addressed to the parents and god parents on the day of the child's baptism: "You are the first educators of the child in the ways of faith." May those entrusted with this great responsibility continue to be the best of teachers and may they always be mindful that their own personal example will leave the most lasting impression of all.

A special thanks to the principals, teachers and staff in all of the schools who helped prepare the young people for the Sacrament of Confirmation. We are indebted to them for their dedication and for the good work that they do. Again, we pray that those who are being confirmed this weekend will live in such a way that the fruits of the Holy Spirit will be evident in their lives – Love, Joy, Peace, Patience, Kindness, Goodness, Trustfulness, Gentleness and Self-control.

At a time when many familiar structures and traditional family and Church values are under threat, we rely on the help of the Holy Spirit. Many people are trying to retain the customs and standards that shaped their lives in the past. Like the disciples in the Upper Room, we're sometimes fearful of what's happening all around us and very often, we're overwhelmed by change and we wonder what the future may bring.

But the message of Pentecost assures us that we're not alone. The Spirit can be our guiding light, giving us the courage to face up to problems, helping us to discover personal resources and the vision to see new ways ahead. Today, we ask God to come into our lives and strengthen us with his Spirit so that we will be his voice where the sick need healing, where the hungry need feeding and where the distressed need comforting.

With every blessing,  
Rev Peter McAnenly Adm
